On 15 to 20 August 2022, an orientation programme was held in ILP Mersing. The programme aimed to all newly enrolled students from 5 programmes offered in ILP Mersing which are Automotive, Telecommunication, Welding, Refrigeration and Airconditioning and Electrical. There were 89 students attending this orientation programme which is 6 girls and 83 boys. On the first day of the orientation, they must go to the mosque at ILP Mersing for Maghrib and Isyak Congregational Prayer. At the night of 15th August 2022, they all gathered at the hall for the disciplinary briefing.

On 17 August 2022, all the students went to Gunung Arong at Teluk Gorek for hiking. All of them were required to join the hiking activity because it was a part of the orientation programme. The hiking activity started at 8.30 a.m and finished at 1.00 p.m. They were asked to hike and do a cleaning activity which was collecting the rubbish along the track to Gunung Arong. After they finished hiking, they had their lunch and returned to ILP Mersing for refreshments.

On 18 August 2022, ILP Mersing has welcome two speakers from General Subject Department, Politeknik Mersing to deliver a talk about TOEIC which was done at Dewan Kuliah Utama. TOEIC stands for Test of English for International Communication. TOEIC is an international standardised test of English language proficiency for non-native speakers. It is intentionally designed to measure the everyday English skills of people working in an international environment. There are two components of TOEIC which is listening and reading.

There's a lot of company that uses English language as a medium of communication. This is because English is the language of globalisation. 81% of multinational companies expect their employees to be able to communicate effectively in English. Hence, TOEIC is able to determine employees' proficiency. For an example, Bridgestone company uses the TOEIC LR Test as part of the job promotion process for engineers. We thank Mr. Nazrul Ariffin and Madam Nazira for delivering a talk on TOEIC.

MSK allowed me to get to know new awesome friends! MSK also let me have a new experience.

Muhammad Aliff Aiman bin Shahrudin,
Welding Technology, 2/2022 Intake

MSK was a bit tough and challenging but it taught me how to discipline myself and become a better person.

Muhammad Norsyahmi bin Sawal Rizal
Refrigeration and Airconditioning Technology, 2/2022 Intake

MSK taught me about teamwork and how to be punctual.

Muhammad Raziq bin Rahimee,
Electrical Technology, 2/2022 Intake

MSK created sweet and bitter memories and I will continue to treasure them!

Muhammad Naufal Firdaus bin Jumat
Welding Technology, 2/2022 Intake

Happy 65th INDEPENDENCE DAY MALAYSIA

By: Mr. Jaazli bin Ahmad

After more than two years, The Malaysian Family can finally commemorate National Day 2022 in a large-scale, physical celebration. ILP Mersing did not miss the chance to join and march at Stadium Mersing on Aug 31. ILP Mersing students had a chance witnessing a colourful parade mounted by various contingents featuring Government and Non-government Body around Mersing to revitalise the spirit of independence.

After missing the participation of the public for two years, 2022's National Day celebration served several surprises and memorable experience for sure. On top of that, the contingent represented ILP Mersing has won 1st place. Congratulations students from Welding Technology who involved in marching for their participation and mesmerised performance!

I hope Malaysia will stay peaceful and be prosperous country forever.

Muhammad Putera Nurain b. M. Iskandar Shah

Nothing is good as being an independent and selfsustaining nation.

Mohamad Afiq b. Mohd Zaihan

May Malaysia see more progress in the coming years! Merdeka!

Ustazah Nur Syahirah bt Amin Husni
