

Institute Official Website Development Workshop

by: Muhammad Farid bin Mohd Rafee

On Tuesday to Thursday, from 6 to 8 June 2023, Resource Center & Multimedia Unit of Mersing Industrial Training Institute has undergone the Institute's Official Website Development Workshop with technical assistance from Ipoh Industrial Training Institute namely Mr. Mohd Rizal bin Sulaiman and Mr. Ismazaidi bin Ismail. The objectives of the workshop were to obtain hands on experiences in developing official website for ILP Mersing as well to require specific knowledge of creating website to be interactive and creative. Throughout these 3-day workshop, the participants gained a lot of useful information later to be develop in making official website for the institute. The participants on behalf of the Director would like to thank both attending officers for their guidance and help. In a nutshell, the workshop went smooth as planned.

ECU Mapping, Engine Tuning & Performance Analysis Workshop

by: Muhammad Bazli Ammar bin Mahayudin

From 6 to 9 June 2023, Mersing Industrial Training Institute has organised ECU Mapping, Engine Tuning & Performance Course Analysis under the Skills Improvement Program held at Kuala Lumpur Infrastructure University College (KLIUC). This course has been attended by a total of 15 instructors from the Technology Department Automotive ILJTM. Among the module contents studied are engine parameters & performances, chassis dynamometer & tuning, and testing 4WD vehicles on the chassis dynamometer. Through careful calibration and analysis, automotive enthusiasts can unlock the full potential of their vehicles while maintaining reliability. All instructors took advantage of all the knowledge gained to be taught to students in the field of TVET to continue to excel and be able to produce capable graduates in the industrial market, especially in the automotive sector. Well done to all participants, especially ILP Mersing representatives!

"Let's Enter ILP Mersing!" Promotional Programme

by: Amir Shah Azizan bin Abdullah

The promotional programme for entry into Mersing Industrial Training Institute was held on 8 June 2023, Thursday to inform the potential to transform lives and shape successful careers. At its core, this programme was designed to ignite curiosity, inspire ambition, and encourage student candidates to explore the vast opportunities available within our institute's vocational courses. The promotion venues involved SMK Adela, SMK Sri Saujana, SMK St. Joseph, SMK Anjung Batu, SMK Nitar, SMK Mersing, SMK LKTP Kahang Timur, SMK (F) Tenggara, SMK Ungku Husin and SMK Sultan Abdul Jalil. With a deep understanding of the importance of vocational education in today's rapidly evolving job market, our institute delivered the commitment to creating a promotional campaign that leaves a lasting impact on prospective students. By utilizing innovative strategies and targeted outreach, the programme aimed to reach individuals at various stages of their educational and professional journeys. Kudos to all attending staff during the promotional programme for their efforts and participation in promoting ILP Mersing.

Remote Pilot Certificate of Competency Workshop

by: Muhammad Bazli Ammar bin Mahayudin

From 6 to 10 June 2023, a Remote Pilot Certificate of Competency (RCOC-B) course by Civil Aviation Authorities of Malaysia (CAAM) under the Master's program Drone Piloting and Technical Trainer Specialists was organised by CIAST held at Drone Academy Asia, Futurise Center, Cyberjaya. A representative from the Industrial Training Institute Mersing which was Tc. Wan Hasyidan bin Wan Hussein attended this course and successfully obtained the RCoC-B competent certificate after passing the theory and practical tests. The course covered theoretical knowledge, practical skills, and regulatory requirements. Participants learnt about airspace regulations, flight planning, piloting techniques, and emergency procedures. The course was relevant to various industries and provided industry-specific knowledge. Participants underwent assessments to demonstrate their knowledge and skills, leading to the award of the RPAS-B certificate. Well done and congratulations Tc. Wan Hasyidan bin Wan Hussein for his achievement. May he continue to benefit everyone especially in the TVET field.

Monthly Assembly of Staff & Students

by: Jaazli bin Ahmad

For the first time on Thursday, 15 June 2023, the Mersing Industrial Training Institute Staff Monthly Assembly was paired with the Student Assembly. Among the objectives of this partnership is to convey more transparent information to staff and students in addition to fostering a sense of belonging between these two. The assembly, which was organised in collaboration with the Student Management & Training Division (BPPL), the Quality Control & Training Division and the Student Representative Council (MPP), was held in the Main Lecture Hall, starting with the reciting of prayers, the singing of Johor State, Negaraku, JTM song and the Public Service songs before continuing with the recitation of the student pledge and the Public Service pledge led by Mr. Shaifulnizam bin Abdul Majid. A new staff introduction session was also held at this assembly. The assembly then continued with student sharing and briefings from the units. A prize and certificate giving session was also held before ending with a speech and message from the Director. Congratulations and thanks to the BPPL, BKKL and MPP units as co-organizers who made this assembly a success.

Corporate Social Responsibility: KD Sri Medini & ILP Mersing

by: Muhammad Hazim Fahmi bin Ariffin

On Friday, 23 to 25 June 2023, KD Sri Medini's Corporate Social Responsibility (CSR) Programme took place with Mersing Industrial Training Institute at Kampung Sri Pantai, Mersing. KD Sri Medini has chosen the location of the homes of the elderly and the people in need as the location for the implementation of this CSR programme through gotong-royong and charity activities. This programme was officiated by the Director General of the Department of Manpower, YBrS Mr. Shakib bin Ahmad Shakir and attended by the Director of ILP Mersing, Ts. Syahrull Nizam bin Hj. Perdan at the Main Lecture Hall, ILP Mersing. This programme aimed to build cooperative relationships, cultivate the concept of 'welfare shared responsibility', foster a culture of 'community for community' and promote the Royal Malaysian Navy Voluntary Reserve Force (PSSTLDM). Kudos to all staff and volunteering students participated in the programme for their time and efforts!

Briefing on Drones & Telecommunications Careers

by: Razi Hamizan bin Muhammad Geoffrey

On Sunday, June 18, 2023, the Telecommunications Technology Division went to SMK Sri Mersing to provide a presentation about drones and job opportunities in the telecommunications sector. This briefing was delivered by Mr. Wan Hasyidan and Mr. Farid Nordin. The goals of this drone briefing were to describe the advantages of using drones and demonstrate their use to the students of SMK Sri Mersing. Nowadays, people use drones to carry out surveys in certain areas. Additionally, drones can be utilised to capture photographs or videos. During this session, students were also provided information on careers in the telecommunications industry. Numerous prestigious universities throughout the globe offer bachelor's degree programmes in communications. It is hoped that the briefing has opened the views on drones and telecommunications industries to the career pathways.

Closed Darts Tournament 1000 Leagues of Mersing

by: Jaazli bin Ahmad

On 24 June 2023, Saturday, Mersing Industrial Training Institute, in collaboration with the Mersing District Youth & Sports Department, organised the ILP Mersing (Closed) Darts Tournament. This competition was participated by almost 40 students. The first to fourth-place winners received attractive prizes in the form of cash during the prize-giving ceremony. The Closed Darts Tournament proved to be a resounding success, showcasing the skill and passion of dart players within the community. Through meticulous organisation by the Student Representative Council (MPP), fair competition, and a positive atmosphere, the tournament provided an excellent platform for participants to display their talents and foster camaraderie. The event's success paved the way for future editions, with the potential to enhance further the tournament's impact on the local darting community especially in the Mersing area. The Closed Darts Tournament received positive feedback from participants and spectators alike. All in all, ILP Mersing does not just provide technical training but gives students the opportunity to participate in leisure activities, sports and involve themselves in social and community activities. Congratulations to the winners.

Happy Eid Al Adha 1444H!

Eid al-Adha, also known as the Festival of Sacrifice, is one of the most important religious celebrations in the Islamic calendar. It commemorates the willingness of Prophet Ibrahim (Abraham) to sacrifice his son as an act of obedience to God's command. As Ibrahim prepared to carry out the sacrifice, Allah intervened and provided a ram to be sacrificed instead. This event symbolizes the devotion, faith, and submission to Allah central to the Islamic faith.

Eid al-Adha falls on the 10th day of Dhul Hijjah, the twelfth and final month of the Islamic lunar calendar, following the completion of the Hajj pilgrimage in Mecca. Overall, Eid al-Adha is a significant and joyous occasion that encapsulates the essence of faith, sacrifice, and community. It serves as a reminder of the values and principles that guide Muslims in their devotion to Allah and their commitment to living a life of compassion, love, and gratitude.

“ Wishing you a joyous and blessed Eid Al-Adha filled with countless moments of happiness and serenity. May the spirit of Eid illuminate your path and guide you towards a life filled with success and contentment. Eid Mubarak! ”

Muhammad Faris Fahmi bin Amlan
Welding Technology Semester 2

“ As the holy month of Dhul Hijjah culminates in the celebration of Eid Al-Adha, may your faith be strengthened and your devotion to Allah deepen. May the spirit of sacrifice and devotion guide you towards a life filled with righteousness and spiritual growth. May your prayers be answered, and may your days be filled with peace, love, and prosperity. Eid Mubarak! ”

Ahmad Shafiq bin Ab Salim
Refrigeration & Air Conditioning Technology Semester 2

“ On this joyous day of Eid Al-Adha, as you partake in the spirit of sacrifice and give thanks for the blessings in your life, may your heart be filled with immense joy and happiness. May the blessings of Allah shower upon you and your family abundantly. Eid Mubarak! ”

Muhammad Norsyahmi bin Syawal Rizal
Refrigeration & Air Conditioning Technology Semester 2
